APPOINTMENTS AND HOUSEKEEPING CHORES ON AGENDA

Elba's new administration takes over

by Ferrin Cox
Publisher

The Elba City Council met in special session Monday evening to conduct housekeeping chores associated with the beginning of a new administration.

Re-elected council member Bill Brunson was named Mayor Pro Tem. He will conduct meetings and/or carry out the duties of the mayor any time the mayor is absent or incapacitated. In the event the incumbent mayor can no longer hold office, the Mayor Pro Tem will act as mayor until the city council names a permanent replacement.

The council will continue to meet on the 2nd and 4th Mondays, but the meetings will now begin at 6 p.m. and the meetings will be conducted using Robert's Rules of Order as guidelines.

Fulfilling a campaign promise, Mayor Ricky Haywood recommended the council name Jeff Goodson as city clerk. The council members agreed unanimously with the recommendation.

The City will continue using both local banks as depositories, dividing the deposits equally.

Council member John W. Sharpless was reappointed to represent Elba as a member of the Southeast Alabama Gas Board.

Council members Bill Brunson, Earl McCollough and Gladys Yelverton were appointed to the Elba Water & Electric Board. Brunson

and Yelverton served on the board during the past four years.

Ricky Mularz was reappointed Recreation Director.

Haywood recommended the council take under advisement the appointment of a street superintendent. He indicated he would make a recommendation at a later date following evaluation of the matter.

He also recommended appointing Freddie Hanchey temporarily as police chief until further evaluation can be made of the department.

When asked how much time he was talking about, Haywood responded, "Probably 30 days."

Councilman Earl McCollough suggested, "It be on a 90 day period of time and start evaluating him from tonight forward and not from yesterday back. He will be working for a new administration and there will probably be a different set of rules to go by."

A motion to that effect was passed unanimously.

The council will place a car in the homecoming parade Friday afternoon.

A question by Mrs. Yelverton about the street problems in Mulberry revealed Haywood had been in contact with the project engineer earlier in the day and a meeting was planned with him this week to find out what is needed to get the project ready for the paving contractor to return. Haywood said this was a priority.

Haywood reported the garbage contract has been extended for 30 days and the contractor (ISS) has indicated the firm will continue longer if they are needed.

Council members requested the mayor review the cost projections for a city operated garbage pick-up and report back to the council.

Haywood stated the bookkeeper had already compiled a report on the money invested in the pending city takeover of the garbage pick-up and a copy would be given to each council member at the next meeting.

Newly elected council member Ronnie Jimright expressed dissatisfaction with the fact some of the rules and guidelines were not being followed by the new administration.

He stated the city was hiring certain people - terminating others and we are not following the rules.

Jimright didn't get more specific and Haywood stated he felt they were following the rules.

District Judge Tom Head administered the oath-of-office to a new mayor, one returning councilman and four new council members.

Kathryn Holley heads the new administration as the newly elected mayor. She made history in New Brockton by becoming the first woman to be elected to the office of Mayor.

Other newcomers sworn in Monday evening were: Clinton Marler and Jack Caradine. Also sworn in as councilman was Robert Miles who had served on the previous council when Ladon Smith resigned. She ran for the District 4 seat but was defeated.

More history was made when Rose Ann Lewis was sworn in as a member of the city council. She became the first woman to be elected to New Brockton's city council.

Rhonda Davis was appointed to serve on the previous council when Ladon Smith resigned. She ran for the District 4 seat but was defeated.

Councilman Charles Cole was the lone returning councilman from the previous administration who took the oath-of-office Monday evening.

Shortly after the ceremony, the new council got down to the business at hand.

They set their regular meeting time as the first Monday of each month at 7:00 p.m. Meetings will be held at city hall.

Councilman Robert Miles, upon the recommendation of Mayor Holley, was elected by council members to serve as mayor pro-tem.

The council re-appointed Linda Dillow as city clerk, James Brown as fire chief, and Bill Tindas as superintendent of the water department.

Action was delayed on naming a new chief of police due to the uncertainty of the status of the present chief, Richard Nichols.

Mayor Holley told council members that she understood that Chief Nichols had verbally resigned to former Mayor Jim Driskell. She said that no written resignation had been received by her from Chief Nichols.

Until the exact status of Nichols is determined, Police Officer Jim Richardson was appointed as acting chief.

The council scheduled a meeting for 7:00 p.m. Tuesday to review the appointment of a police chief and to consider the hiring of the present police officers.

Other city employees rehired by the council were: Vester Cole and Terry Bloodworth with the street department; Thomas Dillow as street sweeper and janitor for city hall; and Joy Kelley as the senior citizen advisor and representative.

The Peoples Bank of New Brockton was designated as the city's depository for municipal funds.

The following committee appointments were made by the council: Charles Cole - police department, Jack Caradine - fire department,

Outgoing council holds final meeting

Elba's outgoing administration held its final city council meeting at 7:00 a.m. on Wednesday morning, September 30.

The primary purpose of the called meeting was to adopt a budget for the fiscal year beginning on Oct. 1. By law, a budget has to be approved by October 1st.

The council also had to authorize payment of the monthly bills totaling \$13,804.56 and approve minutes of prior council meetings.

In the presentation of the 1992-93 budget, Mayor Fred Moore told council members that a 5% cost-of-living raise for all city employees had been included in the new budget. He stated that this increase was subject to the new administration's approval.

Moore told Brunson that raises were given to the four full-time police radio dispatchers and to Doris Cooper, who is the city's librarian. He stated that the pay increases were included in the new budget.

Councilman Waylon Sharpless said, "I don't understand what they got a raise for, but I guess there's a reason for it."

Brunson said, "As far as the budget goes, I'm prepared to move we adopt the budget as presented with the expressed stipulation that in adopting this budget, we are not raising any employee raises given since September 15, 1992."

The council voted unanimously to approve the budget with Brunson's stipulation included.

It was noted that the new administration would have the option of amending the new budget should they feel it necessary to do so.

In closing, Mayor Moore told council members that he had thoroughly enjoyed working with them during the past four years.

"I wish the next administration the best of luck and a good four-year term," said Moore.

"I am happy to have been part of the operation of the City of Elba for the last four years. And again, I want to say thanks to all the council members for their support and help during this four years," continued Moore.

The council got down to the business at hand.

They set their regular meeting time as the first Monday of each month at 7:00 p.m. Meetings will be held at city hall.

BRAINSTORMS

With Ferrin Cox

The Elba library staff had an interesting experience this week. They are getting shipments of new furniture, etc. often and Monday was no exception. However when they opened the box containing a small cart on wheels it also contained a nice new carburetor. We are talking about a carb for an internal combustion engine... and the stuff was shipped from a furniture factory. Actually the box had been damaged and apparently the stray carburetor hit the box hard enough to break-in and stay there. Bouncing around in the wooden cart, that chunk of metal did a job on it, but the company is shipping them another... without carburetor.

Things haven't settled down with Elba city government at this writing, but it is kinda early for a new administration. We hope elected officials soon clear the air and employees can get on with the job they are hired to do.

It is official, Ross Perot is again a candidate for president. He will be on the ballot in all fifty states and if not a winner, the man will definitely make a difference. A few votes off one of the other and on his pile could change the name of the top vote getter. There are arguments against the idea of awarding all the electoral college votes in a state to the top popular vote getter. However, as long as that rule remains, Perot's votes can make a big difference. If he were to win enough states to throw the election into the House of Representatives, things could really get confusing. We would be interested in hearing your predictions on how the House members would vote in that situation. Would they vote strictly party lines or would they listen to their voters back home?

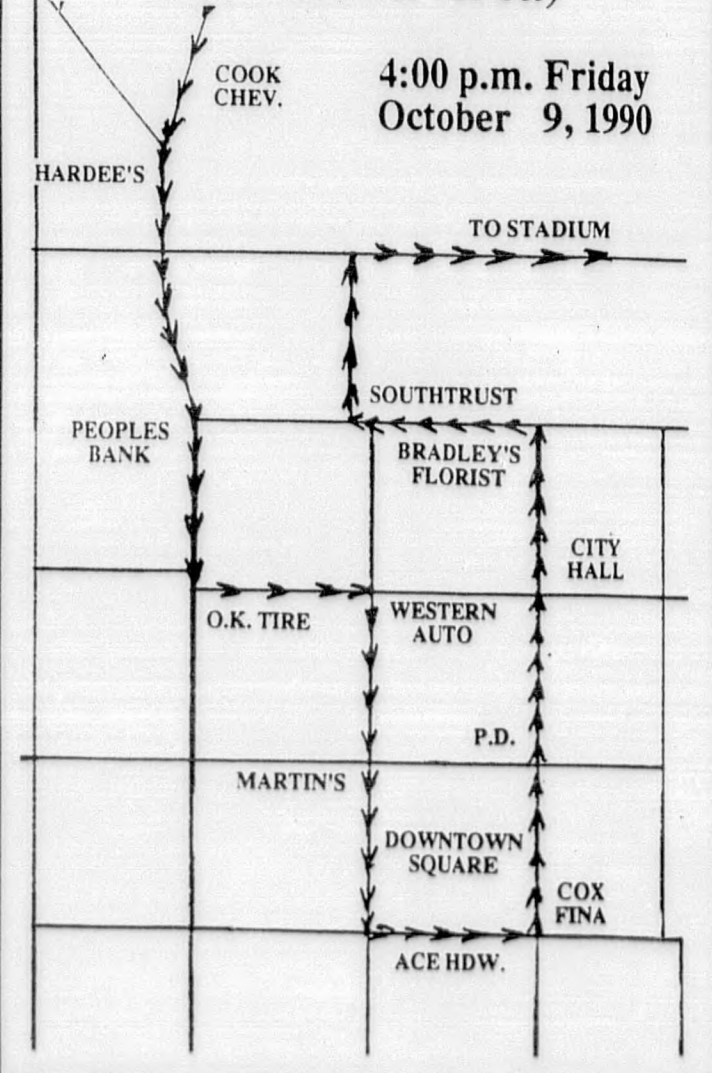

South Florida residents are continuously making the headlines lately and ain't none of it good. Tornadoes this last weekend in the Tampa area tore up many more homes and killed several people. We don't like the way those folks down there vote sometimes, but we ain't that mad with them! We hope the Man upstairs takes note of their plight and spares them any further misery.

We toured the new offices of the Coffee County School Board last Thursday and were impressed. Someone has done some very good planning with that facility. State school officials who were here for the open house kinda had a wishful look in their eyes. While they were proud for the Coffee County schools, they admitted to thinking of dozens of other much larger systems which don't have such nice facilities to conduct their work. The large meeting room in the building is designed to hold all county teachers for in-service meetings, seat them comfortably and where each can see the speaker and any displays being used.

Coffee County Arts Alliance To Present "TZIGANKA" October 10th

Opening the 19th season of the Coffee County Arts Alliance on Saturday, October 10th, 1992, will be a Russian Folk Ensemble called TZIGANKA. Formed in 1975 by Director Buds Ekkel, TZIGANKA has just completed a series of concerts in the Republic of China and is now embarking on their tenth extended tour of the United States.

Complete with authentic performance material and costumes, TZIGANKA offers a variety of folk songs and dances from all parts of the former Soviet Union. Musicians also perform on traditional Russian instruments including the "balalaika" (a three-stringed triangular instru-

ment) and a Russian accordion called the "bayan".

Although individual tickets for the 7:30 performance given at the Enterprise High School Auditorium may be purchased at the door, season tickets are still available. Tickets are also available at The Jewel Box in Elba, Plain and Fancy and The Guest Room in Enterprise or ITR Travel Office at Ft. Rucker.

For more information, contact a member of the board of directors at the former Soviet Union Musicians (205) 347-1249.

Join Coffee County as we welcome these international performers to the Wiregrass!

Magnolia Garden Club Holds October Meeting

The Magnolia Garden Club met Thursday, October 1st, in the home of Mrs. M. V. Miles.

The guests were served a "fall theme" desert plate that was delicious.

President Mrs. W. M. Warr called the meeting to order and after routine business the club voted to support the Arts Alliance with a donation and to participate in the Christmas Festival by having an entry in the parade and a booth on the square to sell cakes. Mrs. Lister Brunson presented a very timely taped program on "Wreaths for all seasons" by Becky Baxter.

The meeting was adjourned with the reminder for all members to participate in the program for November by selecting a flower name that begins with the middle initial of their name and giving a report.

Keith Hunter Boswell, son of Keith and Dana Boswell, would like to announce the birth of their son, Keith Hunter Boswell.

Hunter was born at 9:53 a.m. on September 29, 1992 at Humana Hospital in Enterprise. He weighed 6 lbs. 13 ozs. and measured 20 1/4 inches long.

Hunter was welcomed home by his big sister, Nicole.

Christmas Ornaments Now On Sale By The Chamber Of Commerce

The Chamber of Commerce announces Elba's 1992 Christmas ornaments are now on sale. This is the 5th edition, a beautiful royal blue with white, featuring City Hall. Since they are limited editions hurry and get yours while the supply lasts. The ornaments may be purchased from Bradley's Florist, Martin's, Inc. and the Jewel Box. These ornaments are individually boxed and make lovely "touch of home" gifts for former residents of Elba. The Chamber has a limited supply of 1991 ornaments featuring the Veterans Memorial. These may be purchased from the Chamber office.

The bride is a 1983 graduate of Pine Forest High School, Pensacola, FL. She is also a graduate of University of West Florida with a BS in Business Teacher Education and a minor in General Business. Lana is employed as a Staff Accountant at Goff & Hurd, PA, Pensacola, FL.

The groom is a 1982 graduate of Elba High School of Elba, AL. He graduated from Faulkner University where he received a BBA. He also attended Alabama Military Academy and MacArthur State Technical College where he received an Associate of Applied Technology. Toby is employed as an AutoCAD Drafterman at Serv-Air, Inc. of Pensacola. He is a 1st Lt. with the Alabama National Guard.

The honeymoon was to be a cruise to the Bahamas which was cancelled by Hurricane Andrew. Instead the couple traveled to Acapulco, Mexico and are now residing in Pensacola.

Veteran EBC Center Manager Promoted To Vice-President Of Administration

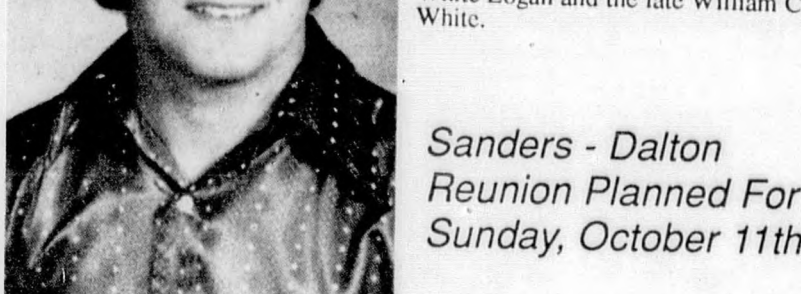

Sandra Wright

During her six years tenure as Center Manager of the EBC Office Center located at Roswell Summit, Atlanta, Sandra Wright must have been doing something right: the Center ranked in the top 10% of the EBC network for quality performance and occupancy during every one of those years.

As Vice President, Administration, Ms. Wright's new responsibilities will be focused on corporate administration at a time when the Company is growing in complexity, not just in number of Centers. The addition of EBC Solar Travel and EBC Solar Group is a timely case in point.

Prior to joining EBC, Sandra played a key role in the office automation industry as assistant to the president of a well-known word processor systems manufacturer. Commenting on EBC's tradition of support for its Office Center clients, Sandra observed, "We have always prided ourselves in delivering administrative support services and equipment of the quality found in upscale corporate environments. Actually, we probably exceed those standards in many cases because we evaluate new automation equipment continuously, and upgrade for better performance—often long before a typical office would."

She is the daughter of Mrs. Mary White Logan and the late William C. White.

Steve & Peggy Rugg Announce Birth Of Daughter

Steve and Peggy Rugg of Wickburg, former residents of Coffee County, proudly announce the birth of their first child, Courtney Leigh Rugg, on Thursday, September 17, 1992, at Flowers Hospital, in Dothan. Courtney weighed in at 8 lbs. and 11 ozs. and was 20 1/2 inches long at birth.

She is the granddaughter of Mrs. Ann Whitman of Elba, and Mr. and Mrs. Ted Rugg of Jack. She is the great granddaughter of Mrs. Lillie Mae Whitman of Greenville, Mr. and Mrs. Clyde Armstrong of Troy and Mrs. Annie Lou Rugg of Jack.

Pictured left to right: Mrs. Maria Wilson - bride, Mrs. Joann Eiliard - mother of the bride, and Mrs. Nadcan White - hostess.

Mrs. Maria Wilson Honored With Bridal Shower

The lovely home of Mrs. Nadcan White was the setting for a miscellaneous bridal shower honoring Mrs. Maria Wilson (nee Maria Eiliard) on a crystal stand and was crisscrossed with mauve bows.

Gifts were displayed in the guest bedroom. The bride received a microwave oven from the hostesses and received many nice gifts from the guests.

Hostesses for the occasion were: Mrs. Nadcan White, Mrs. Fannie Folmar, Mrs. Jeanette Tillis, Mrs. Clara Duzier, Mrs. Margaret Rowe, Mrs. Barbara Tillis, Mrs. Edna Kelley, Mrs. Porsha Jones, Mrs. Ramona Hardwick, Mrs. Pastern Robinson, Mrs. Doris Waters, and Mrs. Alicia Rowe.

The guests were greeted at the door by Mrs. Edna Manley and Mrs. Barbara Tillis, and directed to the dining room and served punch and party foods. The serving table was covered in mauve and overlaid with a white lace cloth with mauve bows at all four corners of the table. The punch bowl of crystal rested on a crystal stand and was crisscrossed with mauve bows.

The entrance door of the home held a white wedding bell with a large white bow.

Mrs. Tammy Phillips presided over the registry. The registry table was covered with a white cloth and plimmed with fuchsia bows and mauve candles in crystal candle holders.

Brother and Sister Keep Family Tradition Alive

Cassandra Paullette Evans

Second Lieutenant Ardelle LaMonte Evans and his sister, Cassandra Paullette Evans, both recently received degrees from Texas Prairie View A & M University and the University of Texas at Austin respectively. Ardelle also received a Second Lieutenant Commission in the United States Army.

Their proud parents are SFC (Ret) Riley Paul and Bette Jean Bullard Evans formerly of Elba, and grandchildren of the late Nehemiah and Myrtle Bullard, Willie and Henrietta (Shug) Evans.

Graduating from college is a long time family tradition on both sides of the family. Their mother, Bette, and all four of her brothers hold baccalaureate, masters and doctorate degrees from many prestigious universities around the country. Their father, Riley Paul, and three of his surviving brothers and sisters also hold several college degrees.

After graduating from Houston's Dwight D. Eisenhower High School with honors in 1986, Ardelle enlisted in the United States Army through the New Army College Education Assistance Program and served for two years.

In 1988, he departed active duty to continue his education at Prairie View A & M University. Here, he spent the last four years studying Pre-law/Political Science and Military Science. He received the Bachelor of Arts degree in these major and minor disciplines. He graduated with a cumulative grade point average of 3.30 (on a 4.0 scale).

While at PV, Ardelle was a member of Psi Sigma Alpha Political Science, National Honor Society, Omega Psi Phi Fraternity, Inc., and PVA&M Army ROTC Cadet Battalion, where he served as Commanding Officer. He won the 1992 George C. Marshall Leadership Award and distinguished recipient of the Army ROTC Academic Scholarship for three years.

At twenty-three years old, Lieutenant Evans, who is a Regular Army Officer, is currently attending the Infantry Officers' Basic Course at Fort Benning, Georgia. Upon completion of this school, he will be assigned to the 101st Airborne Division (Air Assault) at Fort Campbell, Kentucky. Ardelle is a distinguished military and college graduate. He plans to attend law school in the very near future.

Cassandra Paullette Evans was a May 1992 honor graduate from the highly acclaimed University of Texas at Austin. She received the Bachelor of Arts degree in the College of Speech and Communication, with major emphasis in Organizational Communications. She graduated with honors in her respective major field of concentration boasting a GPA of 3.65 (on a 4.00 scale). She was one of over ten thousand graduates to receive degrees from the University of Texas at Austin's May 1992 historical ceremonies.

Like her brother, Ardelle, Cassandra graduated at an early age from Houston's Eisenhower High School with high honors. She attended the University of Texas on a full Texas Achievement Award Scholarship and an Alpha Kappa Alpha partial scholarship. Throughout Cassandra's four years at UT, she made a remarkable impression among the myriad student population and faculty as well as the Capitol City's community as well. She was President of Beta Chi Communication Club for three years; Chairperson of the University Undergraduate Communications Steering Committee; Mentor Planning Committee Chairperson; Austin City Rape Crisis Center Multicultural Task Force; Research Assistant in the College of Communications; Assistant to the Public Information Officer and Public Relations Intern with the Austin's Professional Chapter of Women in Communication. With this intense involvement, she received a personal invitation to attend the Inaugural Breakfast for newly elected Honorable Governor Anne Richards' Young Democratic Coalition in 1990. She graciously accepted.

Cassandra is presently enrolled in graduate school at the University of Texas pursuing the Master of Arts and Doctor of Philosophy degrees respectively through a special three year program. She has all expenses paid under the auspices of the University of Texas' College of Communication. She anticipates receiving the Ph.D. degree in 1995 and instantly joining the UT faculty as an Assistant Professor becoming the youngest (she is 21 years old) and the first African American in this specific genre.

Both of these bright minds have truly made their parents extremely proud of their many accomplishments and dedication in keeping the family tradition alive. May God bless them and keep their faith alive.

Ardelle LaMonte Evans

Season of Death...of Life

Quietly, without flare or fanfare, God graciously moves upon our lives, taking us from Summer to Autumn, a season when He mysteriously writes His Agenda on the tablets of our hearts. God who began the good work with you in your right mind, telling you grow in His grace until his task within you is finally finished on that day when Jesus Christ returns. At the root of God's Agenda is this promise. Think of it as a guarantee.

PASTOR'S CORNER DANNY MADDOX WHITEWATER BAPTIST CHURCH

Thorns Or Roses

I read recently about a couple of boys that are typical of two kinds of people in our world today. While eating some grapes, one of the boys said, "Aren't they sweet?" The other boy replied, "I guess so, but they are full of seeds." As they wandered into a garden, one of them said, "Look at these big, beautiful red roses!" The other commented, "Yeah, but they are full of thorns!" Many people today resemble the negative-thinking boy in this story. Everything seems dim to them because they are looking at life without the proper light.

The Bible tells us that, "Jesus is the light..." "Jesus is our friend..." and "Jesus gives Christians His love." There are many wonderful people who concentrate on the bright side of things and are excited, happy and grateful. They are aware of the dark side of life, but they choose to live in the light of Jesus Christ.

No matter who you are or what your circumstances may be, there's always much to be grateful for. Not everything is bad, so dwell upon the good. Think about God's love for you. Thank Him for His care. Then, rather than being bothered by the seeds, you can enjoy the grapes. And, instead of complaining about the thorns, you will be thankful for the light.

Have a good day and go to church this Sunday.

Melissa is in the fourth grade this year and it looks like she has reached the point where she needs to learn to study. In the past, all she really studied was spelling. However, this year she has had tests in spelling, science, mathematics and geography, and has spent a lot of long hours up in her room studying for the tests and doing her homework. It hasn't been easy, but so far, so good.

WAS OPEN DATE GOOD OR BAD FOR TIGERS?

I talked with Coach Wood a couple of days last week and he never was satisfied that the week off would do his Elba Tigers any good. He felt like the Tigers needed to be on the field playing last Friday night and didn't like having to change the team's work schedule in the middle of the season because of the open date. He may be right; however, I'm not so sure the open date didn't come at just the right time and will be just what the doctor ordered for the Tigers in the long run.

After four straight wins, the Tigers were on a run and may have needed to play another quality opponent to keep that level of intensity up. A team on a winning streak never likes to take a week off, and the Tigers were definitely on a winning streak after wins over four very good football teams. From that standpoint, the open week may have come at a bad time for the Tigers. I'll concede that.

However, after playing four games against very physical football teams, I'm not so sure that the week off was just what the Tigers needed. The four

physical games took their toll on the players, and the week off should have allowed the players to rest their bodies for a couple of days. That rest may be a blessing later on down the line when the Tigers go up against even better teams that haven't had a chance to heal, and may be a little bummed up after the grind of playing every Friday night after weeks of hard practice. If the open date allowed just one player to get over an injury, or recover from a nagging ache or pain, it may have been well worth it.

A ROUGH WEEK FOR AREA HIGH SCHOOL TEAMS

Week #5 of the football season proved to be more than a little rough for the teams in the area, as only Enterprise was able to post a win. Here's a quick look back at the week many teams would like to forget...

ZION CHAPEL (0-4) came out on the short end of a big 54-28 loss; however, while the Rebels may have lost the battle, they may have won the war. The Rebels were obviously outclassed against the heavily-favored Bears, but the Rebels fought like they had never fought before and except for some youthful mistakes could have pulled off the upset. The Golden Bears re-entered the game in the closing minutes and scored to enable the Bears to get over the 50-point barrier. What they did, however, was help the young Rebels grow up, and in the long run, make the Bears a better team. The score on you. What it does is make a team more determined than ever to work hard and improve. The Rebels showed marked improvement Friday night in rushing for 439 yards against what was supposed to be a very good 1A club, and never gave up, in spite of the score. Get ready, folks, the Rebels are growing up quickly and before long they'll be paying some folks back!

KINSTON (3-2) was looking to celebrate homecoming with a big win over Long, but the Bulldogs never got off their leash and got whipped 13-0.

In Homecoming clash against Louisville

Elba win will clinch Area 4 crown

The Elba Tigers will have plenty of incentive Friday night when they hit the field to battle the Louisville Red Devils.

First, it will be homecoming at Elba High School, and the Tigers will be wanting to show a huge crowd of students, fans and alumni just how good a team they really are.

Second, it will be an Area 4 contest and a win over the Red Devils will give the Tigers the Area 4 championship and the homefield advantage in the state playoffs.

And, third, the Tigers will carry a 4-0 record and a #2 state ranking into the contest, and will be out to prove that they are deserving of the lofty #A ranking.

If that isn't enough to get the Tigers fired up for the Red Devils, the Tigers don't need to pull on the black and gold uniforms that have made Elba famous.

Coach Mack Wood's Elba Tigers will bring a perfect 4-0 record into the important Area 4 clash, and has some quality athletes. They had posted wins over four excellent teams in 5A Charles Henderson 19-0, defending 3A state champion Luverne 20-0, 2A power Georgia 35-14 and 4A power Opp 55-21.

Long Rebels blank Kinston 13-0 to spoil Bulldog homecoming party

By Phillip Miles, Sports Editor

The Kinston Bulldogs failed to hold up their end of the homecoming celebration last Friday night as the G.W. Long Rebels put a damper on the Bulldog party with a 13-0 upset win.

The teams swapped punts to open the game, with Kinston winding up the ball at its own 11-yardline. The Bulldogs mounted a 9 play drive and moved the ball out to their 41-yardline behind the running of Daniel Sims, who gained 25 yards on 5 carries. However, the drive bogged down and Long regained the possession at its 29-yardline following a 30-yard punt.

A 14-yard run by Mitchell Hunter got the Rebels off to a fast start, while a 15-yard pass from Tony Watson to Chris Martin on third down and 13 kept the drive alive. A 35-yard run by Hunter gave the Rebels a first and goal at the Kinston 5-yardline, but on the next play the Rebels fumbled and Kinston's Ben Coale recovered in the endzone to kill the threat.

The defensive stand seemed to pump life into the Bulldog offense, and behind the running of Daniel Sims and Marcus Cook, the Bulldogs marched to a first down at the Kinston 24-yardline.

Kinston lost Cook, its leading rusher, on the end of a 24-yard run, and the offense lost its momentum and turned the ball over on downs at the 25.

Kinston threatened again late in the half and moved to a first down at the Long 20-yardline behind the running of Daniel Sims, only to once again be stopped, when on fourth down and one, the Bulldogs failed to gain and gave the ball back to the Rebels.

Long received the second half kick with the score still knotted at 0-0, but the Rebels were determined to get on the scoreboard and took the kick and marched 67 yards in 13 plays to grab the lead.

Brantley falls late to Luverne 12-6

By Ricky Mular, Sports Editor

The Brantley Bulldogs saw their dreams of an unbeaten season vanish Friday night when the Luverne Tigers turned a fourth quarter turnover into the winning touchdown as they handed the Bulldogs a 12-6 defeat.

The loss dropped the 1A Bulldogs' record to 4-1, while 3A Luverne improved to 3-2 with the win.

Brantley kicked off to open the cross-county battle, but got the ball at its own 44-yard line following a short Luverne punt and wasted little time marching to the end zone.

A 39-yard scamper by Tony Burnett moved the Bulldogs to a first down at the Luverne 18-yard line, while a 6-yard run by Burnett put the Dogs with a first and goal at the Tiger 7.

Two plays later, quarterback Ashley Kilecase hit Eric Person on a cross screen, and the lanky receiver walked into the end zone to give the Bulldogs the quick lead. A bad snap foiled the extra-point try, but with 5:29 left in the first quarter Brantley had drawn first blood and owned a 6-0 advantage.

Luverne managed to move the football into Brantley territory twice more in the opening half; however, the Tigers were knocked back both times by the aggressive Bulldog defense and at the half the Bulldogs were still clinging to a 6-0 lead.

Brantley received the second half kick and showed signs of life offensively as the Bulldogs marched to a first down at the Luverne 25-yard line.

A 31-yard pass from Ashley Kilecase to Derek Caldwell and a 10-yard pass from Kilecase to Carl Smith were big plays in the drive; however, a fumbled snap slowed the drive and the Bulldogs turned the ball over on downs at the Luverne 30.

Luverne was ready to show some life of its own and used a powerful running game to march 70 yards in 13 plays to pull even at 6-6.

Dana Braden bulled for 17 yards on 5 carries during the march, while the workhorse of the drive was Boott Bodford, who gained 47 yards on 7 carries and got the score on a 1-yard run, on fourth down and goal.

Brantley had to start its next possession at its own 10-yard line after the Bulldog kick returner inadvertently let his knee touch the ground on the kickoff.

Two running plays resulted in a loss of a yard, and on third down Brantley was stuck for the Bulldogs as a Kilecase pass was intercepted by Luverne's David Watts, who returned the interception to the Bulldog 7-yard line.

Dana Braden gained six yards on first down to move the ball to the 1-yard line, and one play later Boott Bodford scored to give the Tigers their first lead of the night.

A two-point try was halted by a big defensive play by Eric Crenshaw, but with 10:14 left in the game Luverne had led the 12-6.

The Brantley defense did its job in the final stanza as it stopped Luverne from three straight possessions.

Brantley's Ivan Christen (1) looks for room to run during a kickoff return in the Bulldogs' 12-6 loss to Luverne. The Bulldogs will host Zion Chapel this week for homecoming.

Brantley's Tony Burnett gained 77 yards on 16 carries to lead all backs, while Luverne's Boott Bodford gained 72 yards on 19 carries.

The Brantley defense was led by Andrew Kilecase with 10 tackles, while other defensive standouts included Eric Person and Charlie Layton with 8 apiece, and Steve Battle and Eric Crenshaw with 7 each.

Rebels fall to Bears in 54-28 loss

By Cade Shiver, Sports Editor

The Zion Chapel Rebels and Coffee Springs Golden Bears played out the scoreboard Friday night in an offensive shootout that saw the Bears claim a wild 54-28 victory at Zion Chapel.

Coffee Springs improved its record to 3-2, 2-1 in Area 4 action, while Zion Chapel fell to 0-4, 0-1 in Area competition.

Coffee Springs jumped out to a quick 6-0 lead in the opening stanza on a 2-yard touchdown plunge by Tyrone Hutcherson, and extended its lead to 12-0 later in the quarter when Hutcherson again rammed for big yardage and scored on a 7-yard scamper.

The Rebels were down, but not about to throw in the towel, and surprised the Bears by coming right back and cutting the score to 12-6 on a 6-yard touchdown run by Roy Stewart with 1:59 still left in the wild first quarter.

Duran Smith scored on a 15-yard run early in the second quarter as Coffee Springs extended its lead to 18-6; however, Zion Chapel again answered the challenge and pulled within 18-12 on a 20-yard scoring run by Jeremy Till.

Hutcherson scored on a 36-yard scamper with 2:26 left in the half to increase the Coffee Springs' lead to 26-12, then the Bears took command as Tony Simmons intercepted a Rebel pass and returned it 16 yards for a late touchdown to give Coffee Springs a big 34-12 lead at intermission.

Coffee Springs scored on its first run early in the second half on a 24-yard run by George Presley as the Bears' lead ballooned to 41-12, but Zion Chapel wasn't about to quit and came right back again, this time marching 80 yards in 13 plays to chop the lead to 41-20.

Chris Hodge got the score on a 6-yard run and also tacked on the two-point conversion.

Coffee Springs wasn't through, either, as in the ensuing series Chad Martin broke loose on an option and rammed 45 yards to increase the Bears' lead to 47-20.

The Zion Chapel defense stopped Coffee Springs on a big goal line stand early in the fourth quarter and

Chris Hodge got the score on a 6-yard run and also tacked on the two-point conversion.

The SEC race in the first week of October eliminated Florida from contention for the conference title, and while Mississippi State may have won the battle with the Gators, it may have also lost the war, and its chance at winning the SEC, when Sleepy Robinson went out for the season with an injured knee.

Alabama's offense woke up against hapless South Carolina and Auburn had an easier time than expected with Vanderbilt. Poor Bobby Bowden? His State! The Trojans are 5-0 and gunning for an undefeated season.

Now, on with the predictions:

***Troy State plays Arkansas State in Jonesboro. Ray Perkins will have his Indiana tied up for this one, but Troy State should post the win 24-14.

***Auburn plays Mississippi State one week after the Bulldogs' emotional victory over Florida. Without Robinson, State doesn't look so tough, and Auburn will win in a convincing 14-13.

***Florida and LSU both looked horrible in losses last weekend. Florida is at home and will win it 17-7.

***Tennessee shut out LSU last weekend and Arkansas is simply looking for next season. The Vols will make it look easy 24-3.

***Stepping out of the conference, Miami visits Penn State. The streak will end this week. Penn State will confirm its reservations for the Blockbuster Bowl with a 21-20 upset.

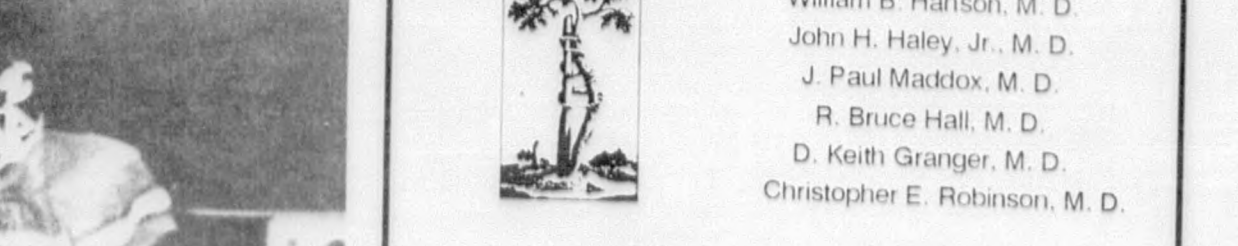

***In other picks, I see Georgia over Georgia Tech 31-10, Vandy over Wake Forest 24-21, Alabama over Tulane 30-7, Texas over Oklahoma 20-17 and Notre Dame over Pitt 23-17.

Last week I hit on 7 of 10 games, making the season totals 25-13.

School Attendance Emphasized

by Felicity Littlefield

Compulsory attendance is strongly emphasized at Zion Chapel High School. All students in this district between the ages of seven and sixteen years old must be enrolled in school. Regular school attendance is very important, and regular attendance shows lack of interest and may result in poor grades. Since something of importance is being taught every school day, each pupil is expected to be in attendance on a regular basis for the full day. Personal activities should be scheduled on an after-school basis to insure that all students meet attendance requirements.

Junior Varsity Football Team Gets First Win

by Chris Hodge

The Zion Chapel Junior High Rebels recently hosted the Kinston Bulldogs in a county-rival game. The Rebels' victory marked their first win of the season and got it in a big way as they blasted Kinston 28-0.

The Rebels took possession of the ball to begin the game. Willie Ingram took the ball on the first play from scrimmage for 9 yards. The Rebels kept the game on the ground as Roy Stewart and Elliot Liptrot combined for 14 yards on the next 2 plays. The Rebels reached the end zone on the fifth play of the drive when Willie Ingram broke loose for a 36-yard touchdown run. Steve Hodge threw a right end pass to Kevin Hobbs for the 2-point conversion and the Rebels led 8-0.

The Zion Chapel defense showed what they could do as they held the Bulldogs offense on plays. Zion Chapel took control of the ball in its second possession and began to move the ball down field. The drive ended as a Rebel turnover gave Kinston the ball. Zion Chapel's defense stuffed the Bulldogs again as it was 4 plays later that Zion Chapel took over on downs.

Another Zion Chapel turnover gave the Bulldogs back the ball. The Rebel defense again held the Bulldogs to only 6 yards on its next possession and took over on downs. The Zion Chapel offense moved the ball quickly down the field on a 36-yard pass from Shane Moran to Aaron Carswell and 3 plays later put the ball in the end zone on a 31-yard pass from Shane Moran to Elliot Liptrot. Steve Hodge connected again with Kevin Hobbs for the 2-point conversion. With three minutes left in the first half it was Zion Chapel 16 and Kinston 0. The Rebel defense continued its great play as

which they wanted to participate. By the time all options were given, it was time to adjourn the meeting and return to class.

The officers for the 1992-93 year are: President, Kicia Griffin, Vice-President, Nicki Pilcher, Secretary/Treasurer, Bridget Greenwood, Reporter, Felicity Littlefield, Parliamentarian, Angie Inright, Historians, Angie Ellis and Sonya Simmons, Recreational Leader and Sponsor, Ron Hobbs.

FHA Elects 92-93 Officers

by Kicia Griffin

On September 23, 1992 the Future Homemakers of America (FHA), met for the first time this year in the Home Economics Department. Due to the other club meetings at the same time, not all officers were able to attend.

The president, Kicia Griffin, led the club in the opening exercise. While following parliamentary procedure, the members were asked to give their opinions on a program of activities, fund raising, and on educational field trips in

If you're not planning to use efficient lighting, just what are you planning to use?

While using only 18 watts of electricity, a compact fluorescent lamp gives you about the same amount of light as a standard 75-watt incandescent bulb.

This means, in energy terms, you get the same amount of light at about one-fourth the cost. That's efficiency. And compact fluorescent lamps last nine to ten times longer than standard bulbs. That saves time and money.

So if you're planning to build a new home, or remodel the one you're living in now, see us. We can shed a little light on lowering your energy bills for years to come.

And that's a very bright idea.

FFA Holds First Meeting

by Sandy Jacobs

Under the supervision of Ag Instructor and FFA Advisor, John McCrory, the Zion Chapel Chapter of FFA held their first monthly meeting.

President Lee Jacobs called the meeting to order and Vice-President Nicki Pilcher called the roll of officers to see if they were at their stations. Sentinel Chris Jacobs was stationed by the door. Reporter Larry Sikes was stationed by the flag. Treasurer Tracy Jernigan by the emblem of Washington, Secretary Kicia Griffin by the ear of corn, Vice-President

Nicki Pilcher by the plow, President Lee Jacobs by the rising sun, and FFA Advisor Mr. John McCrory by the owl.

The secretary read the minutes and called the roll with about seventy members present at the meeting. All members were asked to recite in unison: "To practice brotherhood, honor rural opportunity and responsibility and develop these qualities of leadership which a Future Farmer should possess," the FFA Creed.

Kinston's second offensive play of the drive, Elliot Liptrot stripped the ball from a Kinston runner and ran a back 36 yards for another Rebel touchdown. The 2-point conversion was no good and at halftime it was Zion Chapel leading 22-0.

Kinston took control of the ball to begin the second half and helped by a Zion Chapel personal foul, moved into Rebel territory. The Zion Chapel defense suffered and got the ball back for the offense. The Zion Chapel offense picked up a first down on its next possession but came to a standstill and Kinston took over. The Bulldogs completed a halfback pass for 13 yards and a Zion Chapel penalty moved the ball into Rebel territory. Once again the Rebel defense would not give up any points. The third quarter, ended with Zion Chapel leading 22-0.

Zion Chapel had the ball to begin the fourth quarter and wasted little time getting on the board when Elliot Liptrot broke loose for a 32-yard touchdown. The two-point conversion was unsuccessful and with five minutes remaining in the game it was Zion Chapel 28 and Kinston 0.

The next two possessions of the game saw both teams fumble the ball back to back. The Rebels had control of the ball for the last possession of the game and got the crowd on its feet as Steve Hodge connected with Kevin Hobbs for a 35-yard pass. He was tackled short of the end zone when the buzzer sounded and it was Zion Chapel defeating Kinston 28-0.

SADD Holds First Meeting

by Chris Green

Zion Chapel High School held its first meeting of the Students Against Drunk Drivers (SADD) Chapter on Wednesday, September 23.

The sponsor of this worthwhile organization is Mrs. Sonya Shaw and the meeting was held in her room. Mrs. Shaw began by stating the goals of SADD which are basically abstain from drinking and to stop others from drinking while drunk and using drugs. Mrs. Shaw then turned the meeting over

to Felicity Littlefield, the organization president.

The night was called and over 30 members were present for the meeting.

Topics discussed were the Red Ribbon Campaign to raise an awareness and show that we, SADD members, do not uphold or condone drinking and driving. The SADD Chapter also is getting involved in the "Adopt-A-Mile" program to clean up and "adopt" a mile in front of Zion Chapel High School.

Z. C. Senior Class '93 Elects New Officers

by Tracy Jernigan

Felicity Littlefield has been elected president of the 1993 senior class.

Each candidate needed to have at least a C average to qualify. They needed 10 classmate signatures to sign a petition so they could run for office. Each class

member could only sign one petition for each single office. All candidates had to be approved by the sponsors Mrs. Rachel Bryan and Mrs. Douglas Branson.

The students campaigned from September 16 until September 21. They were not allowed to use candy; instead they used posters throughout the halls and made badges for classmates to wear. The election was held by secret ballot.

The president's responsibilities are to be a leader, coordinate activities, and represent the class. The president is also responsible for giving a thank you speech at the junior/senior prom.

The vice-president's responsibilities are to keep accurate minutes of all meetings and maintain member attendance.

The treasurer's responsibilities are to keep and deposit all funds and issue receipts.

Felicity Littlefield was elected president. She said, "I feel honored to know that my class thought of me as the type of person they would want as a leader of the senior class."

Nicki Pilcher was elected vice-president. She said, "Being elected vice-president of the senior class is an honor to me. I feel it's a privilege to get this rank and I hope to do my best at it this year."

Katie Maddox was elected secretary of the class. She said, "I think it's an honor to be chosen and will do my best. Tawana Neal was elected treasurer of the class. She said, "It's very nice to be chosen once again as class treasurer. I plan to do what I can for my class."

Saying Goodbye

Student Spotlight

Chris Jordan - Chris is the son of Danny and Sandra Jordan. He is a member of VICA and is employed by Elba Parks and Recreation. He is also a member of New Haven Baptist Church. After high school, Chris plans to attend college to become an electrical engineer.

Jason Free - Jason is the son of Rudolph and Hilda Free. He is a member of FFA and Elba Varsity Football. He is also a member of Basin Baptist Church. Jason plans to attend college after high school.

Phillip Adcock - Phillip is the son of Larry and Cheryl Adcock. He is a member of VICA and the Elba Marching Tiger Band. He is also a member of Faith Chapel. After high school, Phillip plans to further his education.

As the students adjusted to the atmosphere of the new school on the first day, Elena Strong read her wonderfully written poem. She originally wrote the poem for the SGA workshop. The following is "Saying Goodbye," which reminds the students of Elba High School, what they have been through from the flood to the trailers:

In March of 1990, on the seventeenth day,
Our town was filled with water which
left stains of red clay.
We thought the water would recede
and we'd go back to old Elba High,
But we didn't know that our return
would only be to say goodbye.
The priceless memories will certainly
live on for many, many years.
Each and every one will be remembered
from the laughter to the tears.

A national guard army, tents, and buses
made up our temporary school.
Students chatted with friends in the
tents next door, while teachers tried
to keep their cool.
Passing notes through partitions was the
only exciting thing we had to do.
Unless, of course, you were one of the few
chosen for a news interview.

The following two school years, we
attended classes in a trailer park.
Oh, how wonderful it was to be dismissed
every time the clouds turned dark.
Two years seemed a long time to
wait for a paved parking lot
and hallways.
The time passed quickly and now
we are anxious about the opening
of our new school after a couple of delays.
Even though we look forward to attending
a school so beautiful and new,
Saying goodbye to our old Elba High
isn't at all easy to do.

This devastation really put our
endurance to the test.
Yet we all passed with flying colors
and are a notch above the rest!

DeDee Siler - DeDee is the 16 year old daughter of Larry and Roselia Siler. DeDee checked on the J.V. squad for 3 years and this is her second year cheering on the Varsity squad. She enjoys talking on the phone, spending time with Curry, and shopping. DeDee attends Greater New Zion Baptist Church.

Trease Caldwell - Trease can be seen playing the snare drum on Friday nights for the Marching Tiger Band. Trease has been in the band for 2 years and has also played softball for the Elba Lady Tigers for 1 year. Her hobbies include playing basketball, softball, volleyball, and the snare drum. Trease is the 15 year old daughter of Carolyn Caldwell.

Ramey Ryan - Ramey is a sophomore at Elba High School and is the son of Steve and Carolyn Hudson. He can be seen playing the position of center for the Tigers. Ramey is an active member of FBLA, FFA, E-Club, and Mt. Olive Baptist Church. He also enjoys playing football and listening to music.

Joey Bozeman - Joey is the 16 year old son of Kenneth Gregg and Debra McKinney. He is a tackle for the Elba Tigers. Joey has been playing football for the past 3 years. He is involved in FBLA and attends Mt. Olive Baptist Church. Aside from football, Joey enjoys playing basketball and volleyball and fishing and hunting.

Malinda Tyson - Malinda is a 15 year old tenth grader at Elba High. She has played the bass drum for the past two years and this year is marching the snare drum with the Elba Marching Tiger Band. Malinda is involved in FBLA, SADD, Mt. Alpha Theta, FFA, Spanish Club and Drama Club. She attends Elba Zion Missionary Baptist Church. She enjoys spending time with friends and her mother, dancing and traveling with the band.

Chris Kelley - Chris is the 16 year old son of Jeff and Taffy Kelley. Chris has played football for 10 years beginning on the Pee Wee team. He can be seen on Friday nights playing strong safety for the Tigers. Chris also plays baseball and is a member of FFA. Chris attends Elba First Assembly of God. Other than football he enjoys hunting and fishing.

The Leadership Odyssey

July 19-23, the Student Government Association officers and our sponsor, Rhonda Little, attended a leadership workshop at the University of North Alabama in Florence, entitled, "The Leadership Odyssey." During our five hard-working, yet fun-filled days, we learned how to incorporate communication, club meeting skills, team building skills, organization, and trust into our school and organization. About 270 other Alabama Association of Student Councils' members attended the conference which was led by the AASC Executive Director, Mrs. Fredonia Williams. Each morning we attended a general session. There, we listened to various speakers. Before lunch, the large group divided into eight different smaller groups. In these council groups, we were challenged to use creativity in many different assignments and present our ideas as a team. After lunch, each of us attended another general session followed by a second council meeting. Each night, the council groups expressed what had been learned during that day. The conference, "The Leadership Odyssey," gave us, the Elba High School Student Government Association, the opportunity to meet new people, learn new team building strategies, and gain new ideas for our spectacular new school.

Things You Never
Hear... From Your Teachers

by Grant Coleman

1. "How many A's would you like on your report card?"
2. "Hey! You're not doing your OWN work, are you? Well, STOP IT right now and copy your friend's paper."
3. "Of course there's no homework tonight."
4. "Why don't you just pick your own test grades?"
5. "You kids aren't talking loud enough. Yell at each other for a bit."
6. "Hey! Go to sleep!"
7. "OK, class, today we're going to throw darts for extra bonus points."

E.H.S. Homecoming Court

by Amy Baker

Elba High School will celebrate its annual Homecoming on Friday, October 9. The Homecoming Queen for this year is Miss Emily Strong, daughter of Dr. and Mrs. Kenneth Strong. Serving in the Homecoming court are: Senior Attend-Lakia Hammonds, daughter of Mrs. Rogie Culver; Junior Attendants are Leslie Croel, daughter of Mrs. Peggy Creel and the late Mr. Melton Creel, and Fabrika Tillis, daughter of Mr. and Mrs. Rufus Tillis; Sophomore Attendants are Conalissa Caldwell, daughter of Mrs. Carolyn Caldwell, and Elena Strong, daughter of Dr. and Mrs. Kenneth Strong; Freshman Attendants are Destiny Brown, daughter of Mr. and Mrs. Gary Brown, and Kayla Phillips, daughter of Mr. and Mrs. Frank Phillips. The Queen will be crowned in a pre-game ceremony of the Elba/Louisville football game Friday night at 7:00. Congratulations to these outstanding young ladies at EHS!

In celebration of Homecoming '92, EHS students will participate in "Dress-Up" Week, sponsored by the Varsity Cheerleaders. The schedule is: Monday - 50's day, Tuesday - favorite team and hat day, Wednesday - Western day, Thursday - Black and Gold day. There will be a bonfire, Thursday, October 8, at 8:00 beside Cook Chevrolet. Come out and support the Tiger!

The Student Government Association is also sponsoring a door decoration contest between each homeroom class in grades 7-12. Judging will be done Tuesday afternoon, October 6. Contest winners will be announced Thursday.

District VP Attends Conference

by Heather Stinson

This past summer, the Future Business Leaders of America gave me the opportunity to travel to Chicago, Illinois to participate in the annual National Leadership Conference. My sponsor, Mrs. Ingrid Clark, and I were a part of the executive council for the Alabama delegation. The conference was scheduled for June 30 - July 4. During these days, we had the chance to attend informative seminars, business meetings, and general assemblies, which were attended by thousands of FBLA members from across the country, we had the experience of hearing several motivational speakers. As State District IV Vice President for the state of Alabama, I was able to attend many leadership workshops such as the "Business Kids" program and a seminar on careers in advertising.

Although the focus of the National Leadership Conference was the completion of the National Competitive events, we had plenty of time between the meetings for sight-seeing, shopping, and lots of fun. We visited such impressive sites as the Sears Tower Building and the Chicago Stock Exchange Center. The national FBLA coordinators also sponsored two dances for the students and teachers from across the United States enhancing our experience in Chicago. Our trip to Chicago was a very exciting, learning experience. Next year's National Leadership Conference will be held in Washington, D.C.
